Customized Orders

Our Foodbooks are unique merchandise to promote your farm, business, or festival. Use our beautiful 16 page, full color booklets to educate your customers on your product, while they read an interview about your farm & business, encouraging repeat customers.

Your Order

The steps involved in the FoodBook Customization are Customer Interview, Layout, Customer Final Approval, and Printing. The average time is three months from order to final book.

Paper Options

The FoodBooks are printed on 30% post-consumer recycled stock. Customized books printed on 100% recycled paper are also available; the colors are darker on the 100% recycled paper.
